## **GATEWAY DISTRICT OPEN MEETING**

This notice is being published about a proposed creation of a Gateway District, a special development district covering portions of Skiatook, for the purpose of prompting high quality development, enhancing property values, and spurring economic development by creating a vibrant Main Street area, also known as W. C. Rogers Blvd. This notice is being published because the proposed Gateway District was tabled at the January 18, 2024 Planning Commission meeting. The map sent with this notice, outlines the area of the Gateway District.

The proposed Gateway District would be a part of the Zoning Codes that ensure development is done responsibly and that investments by businesses and property owners are protected.

The Skiatook Community Development department and Chamber of Commerce seeks to educate all property owners on the proposed changes and inform you of the following dates:

- **February 15, 2024 at 6:00 pm – Public hearing to be held by the Skiatook Planning Commission held at Municipal Boardroom, Community Center, 220 S. Broadway, Skiatook, Oklahoma. City staff will give a brief overview, receive any input from citizens, and answer any questions about the proposed Gateway District.**
- **March 12, 2024 at 6:00 pm – Public hearing to be held by the Skiatook City Council held at Municipal Boardroom, Community Center, 220 S. Broadway, Skiatook, Oklahoma.**

Copies of the proposed Gateway District Ordinance will be available at Skiatook City Hall 110 N. Broadway, Skiatook, Oklahoma. For questions, please contact Skiatook Community Development at 918-396-2797 ext. 104 or [mdavis@cityofskiatook.com](mailto:mdavis@cityofskiatook.com). Also feel free to contact the Skiatook Chamber of Commerce at 918-396-3702 or [admin@skiatookchamber.com](mailto:admin@skiatookchamber.com)
